

2000 Trader Sunliner 535

Aft cabin flybridge yacht. Exceptionally maintained throughout, her 3 cabin layout includes a spacious yet private aft master suite, a light and airy deck level saloon and a superb covered aft deck. Designed for extended cruising her hull and Caterpillar engines enable her to cruise at planing or displacement speeds allowing for greater flexibility in terms of fuel economy, range and onboard comfort. She has a comprehensive specification which includes reverse cycle air conditioning, a hydraulic passerelle, bow and stern thrusters as well as tender and stainless steel crane. Recently taken in part exchange against one of our new boats, she represents a super opportunity not to be missed!

Principal features

- Hydraulic Passerelle • Reverse Cycle air conditioning •
 - 13.5kw Generator • Teak flybridge, bathing platform & side decks •
 - Full Navigation Equipment Chartplotter, Radar & GPS • Bow and Stern Thrusters •
- Lying: Portugal
